# A n n o u n c e m e n t

In presenting you this catalog of our dispersion sale of Shorthorn cattle, we take real pleasure in extending a cordial invitation to all breeders and farmers interested in good Shorthorn cattle to be with us sale day whether in the market for cattle or not.

This herd was established nearly 50 years ago, represents all these years of constructive breeding, and the only reason we are dispersing this herd is the shortage of help to give them proper care. We have learned through years of experience that our best advertisement is satisfied customers. With this fact in mind, we have culled our herd closely the last few years. In this offering we are selling a clean, healthy, well-bred lot of cattle — not fat but in just good thrifty breeding condition, which will insure their future usefulness and will go on and do good for anyone who buys them.

We are not using photographs or footnotes but selling these well-bred Scotch cattle on their merits. We invite you to come early and inspect them. You will not be disappointed.

W. E. GRAHAM & SONS.

# General Information

**TERMS.**—Cash, unless other arrangement is made with the clerk before the sale, settlement to be made with the clerk of the sale immediately at the conclusion of the auction. Care will be taken to avoid accidents but will not be responsible should any occur.

**GUARANTEE.**—All cattle are sold subject to a 60-day retest for tuberculosis. Health certificates will be furnished to enable these cattle to go into any state or territory. If a bull fails to breed, he may be returned to the seller if in as good condition as when bought and purchase price refunded. Animals returned to seller because they do not comply with guarantee will be at buyer's cost of transportation.
